WHOLESALE SALES OF WINES AND SPIRITS

SOUTH AUSTRALIA

JUNE QUARTER 1964

This bulletin gives details of wholesale sales of Wines and Spirits in South Australia during the twelve months ended 30th June 1964.

The statistics have been compiled from returns from winemakers and wholesalers and relate to their operations in South Australia. They cover sales (both local and interstate) made from stocks held in South Australia wineries, depots, bulk stores, etc., but exclude overseas exports, purchases for ships' stores, and sales to merchants and winemakers for re-sale.

These figures should not be regarded as showing actual consumption in South Australia, because they include sales to retailers and consumers in other States and exclude purchases from other States by South Australian retailers and consumers.
